DIRECTIONS FOR USE

Rate / 1,000 sq ft	N lb / 1,000 sq ft
2.59 lb	0.75
3.45 lb	1.00
4.31 lb	1.25

Application: Apply to actively growing turf when foliage is dry and soil is moist. Use well-maintained, properly calibrated equipment for even distribution. Water in immediately after application for best results.

Established Turf: Adjust application rate based on soil-test recommendations and turf needs.

CAUTION: Fertilizer salts may be irritating to skin and eyes. Wear eye protection and wash hands thoroughly after handling. Keep out of reach of children. Store in a cool, dry place.

FOR PROFESSIONAL USE ONLY. Do not apply near water, storm drains, or drainage ditches. Do not apply if heavy rain is expected. Sweep any product that lands on driveways, sidewalks, or streets back onto the turf area.

Follow University of Florida IFAS SL191 and Florida-Friendly Best Management Practices for turf fertilization.
